ABOUT US

Turnotech Auto Engineering Pvt Ltd. An ISO 9001:2015 Certified company is a leading Bearing Manufacturer, exporter and OEM Supplier in India. With a world class ultra modern bearing manufacturing unit, we supply high quality products ensuring the best of design, uniformity and robust performance for our esteemed clients. The product that we manufacture are appreciated worldwide for their efficient design, consistency and competitive price. We have a dedicated R & D laboratory which ensures continuous product improvement, new product development and administers stringent quality checks.

We have a strong pan India presence through our network which ensure that our products can reach out the customer in remote locations. We also export our bearings to a large number of countries in the Middle East, East Africa, We work with large conglomerates and corporate entities in the industries space. We are proud to be recognized in the industry as a reputed manufacturer of bearings

We also specialize in developing custom bearings for our clients when they are required in bulk quantities.

An ISO 9001:2015
Certified Company

BEARINGS**PRODUCTION**

Turnotech Auto Engineering Pvt. Ltd has an extravagant manufacturing facility spread in the whooping area. This state of the art facility includes a dedicated R&D plant to propel our vision for innovation. We are also having in house manufacturing facility of parts using machineries like CNC, VMC, HMC, and having all latest instruments To ensure high quality of products we have developed an in house heat treatment facility.

The implementation of quality policy is a demonstration of our overriding commitment to customer satisfaction.

We have totally in house production facilities to ensuring the quality of our product ,

- Forging
- Spherodised Annealing
- CNC Turning
- Heat Treatment (Through Hardening)
- Grinding - SPM for Bearing Rings
 - Duplex Grinders (Through Feed)
 - Center Less Grinders
 - External Track Grinders
 - Lip Grinders
 - Internal Grinders
 - Super Finishing
 - A Complete line of imported, automized, CNC controlled grinding machine with MARPOSS in process & post process gauging.
- Imported Automatic Washing & Oiling Machine for Assembly Line.
- Automatic Roller Shorting Machine.

BEARINGS**QUALITY POLICY**

We at “Turnotech Auto Engineering Pvt. Ltd.” Will strive to deliver Bearing product to meet and exceed customer expectations of quality, delivery and cost. We will continuously improve our systems and process.

This policy shall be deployed through.

- Continual improvement in product quality by customer feedback, process control and variability reduction.
- Upgradation of manufacturing technology and skills.
- Continuously improvement in product performance
- Maintaining a clear and safe work environment and involving every individual in creation of a good learning and open work culture
- To maintain quality as per ISO standard.
- Manufacture products which meet customer requirements.
- On-time delivery System.
- Monitor customer satisfaction.
- Establish Cost Reduction Programs.
- Striving for Quality Excellence.

BEARINGS**QUALITY POLICY**

WE STRICTLY OBSERVE QUALITY STANDARDS RIGHT FROM RAW MATERIAL SOURCING UNTIL THE STAGE WHEN PRODUCT ARE FINALLY DELIVERED TO CLIENTS. WE OBSERVE OUR ENTIRE PRODUCTION PROCESS ON THE BASIS OF FOLLOWING PARAMETERS.

MODEL

R & D (RESEARCH & DEVELOPMENT)

PRODUCT DESIGN

STRENGTH & STABILITY

OPERATIONAL STANDARDS

QUALITY STANDARDS

PRODUCT FINISHING

MAINTENANCE COST

QUALITY OF SERVICE LIFE

WHY US?

WE HAVE SERVICED TOP CLIENTS AND MARKET LEADERS WHO HAVE ACHIEVED SIGNIFICANT BENEFITS THROUGH OUR PRODUCTS. TODAY WE ATTRIBUTE OUR COMMENDABLE MARKET POSITION TO THE FOLLOWING FACTORS:

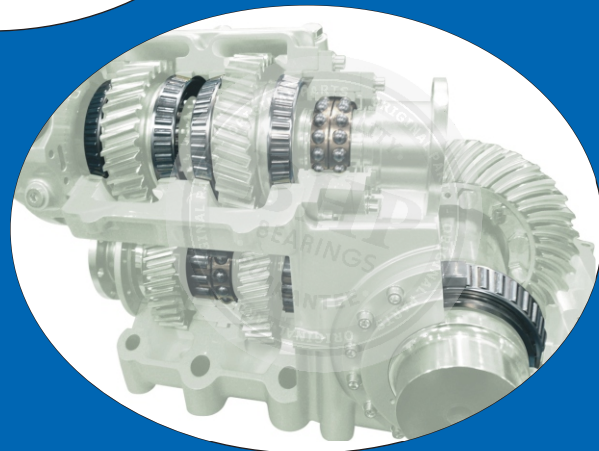

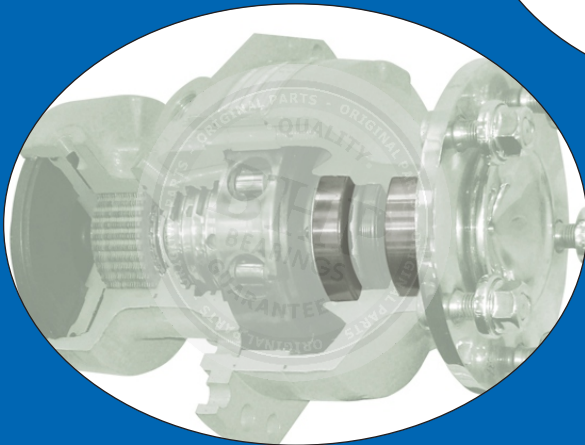

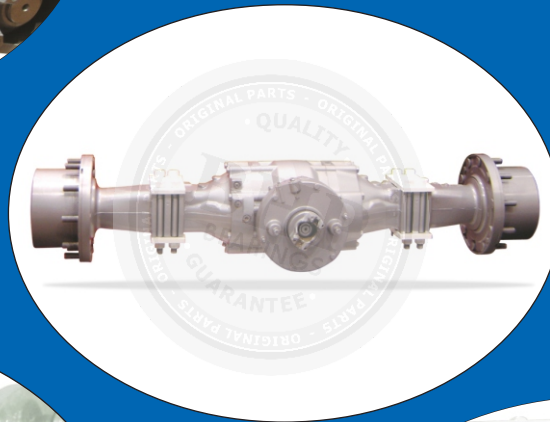

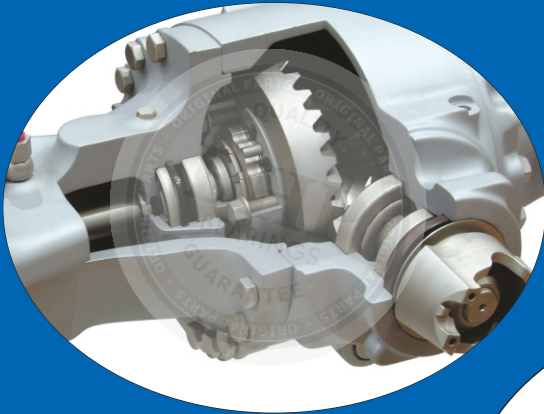

- Developing implements as per the customers need
- Strong market network
- Team of expert & dedicated professionals
- Assured quality at affordable price
- Quick dispatch of order as per the given commitment
- Uses of good quality raw-materials
- Valuable market experience
